Centered Assignment Title

For notebook paper, the margins you need to have

are: the top space, the bottom line, and the spaces outside

the red lines. This means you do not write outside the red

lines. You must have an assignment title for your paper.

Other rules you need to know are:

1) Use pencil or pen. If you use pen, it must be blue or black

ink only.

2) Write neatly and legibly so I can grade your work.

Use this sheet as a guide to the writing format.
